Help

Active programs are those that have completed the submission process and been fully approved. **Pending** programs are programs that an originator is working on but have not yet submitted for approval. **Proposed** programs are those that have been submitted for approval but not yet fully approved. **Historical** programs are a previous version of a program (meaning there is a more recent version). **Deleted** programs are those that have been permanently removed from TRU's offerings.

- Click on the **WR** icon to view a brief program outline.
- Click on the **AF** icon to view a comprehensive report including all information submitted.
- Click on the **Copy** icon to revise an existing program.
- Click on the **Edit** icon to edit a

program that has not yet been submitted.
- Click **More** for Guidelines on Program Revision.
